Fathers and mothers should cooperate in saving for their children and teaching them to save. The larger planning and economies will fall to the lot of the father. He may be carrying out some such plan as that adopted by a merchant who deposited a dollar in the savings bank on the birth of each child. On the second birthday he deposited two dollars, on the third birthday three dollars, and so on until the child reached the age of 21. On that anniversary there was \$306.16 to the child's credit in the bank.

The father did not miss this sum, yet it piled up a considerable amount. Are you trying some such plan as this for your children?

END TO HONOLULU OIL LITIGATION NOW IN PROSPECT

Since the filing in San Francisco on November 14 of a motion for dismissal of all the 17 government suits against the Honolulu Consolidated Oil Co., which motion is being heard in Los Angeles before Judge Bean, hope is held out that this latest move of the government attorneys will bring the litigation to an end and result in a distribution among the stockholders of the several million dollars held in escrow in New York to protect the Standard Oil company on purchases made in the past of oil taken from the lands now in litigation.

After many months of solicitation the department of justice obtained the consent of Secretary Lansing of the interior department to set aside the clearing list order in these claim matters and suits were finally filed in March last. Now comes a motion to dismiss and it is assumed that the government attorneys have decided that they had reached a point beyond which they cannot pass. It has been suggested that they have discovered that substantial foundation for suits is lacking.

GROUND BROKEN FOR NEW KANEHOE SCHOOL

Supervisor Ben Hollinger, chairman of the schools, public parks and playgrounds committee, turned the first sod Tuesday afternoon on the grounds where the new school at Kanehoe is to be shortly erected. An appropriation for \$1200, the estimated cost of the new school house, will be sought.

Following the turning of the sod, Supervisor Hollinger, Superintendent of Parks A. K. Vierra, Sheriff Charles Rose and Johnny Cummings were entertained at dinner on the grounds. The novelty of the feast was the fact that it was cooked and served by the prisoners who are now busy leveling the ground where the new school is to be erected.

When completed the building will have ample accommodation to house the 252 children now attending school in the present dilapidated shacks that pass as school houses.

John S. Aisthodge, president of the First National Bank and Trust Co., and former president of the Illinois State Bankers' association, shot and killed himself at his home at Cairo, Ill. He had been in poor health for several months.

STOMACH MEDICINES ARE DANGEROUS

DOCTORS NOW ADVISE MAGNESIA

Just how dangerous, it is to indiscriminately dose the stomach with drugs and medicines is often not realized until too late. It seems so simple to swallow a dose of some special mixture or take tablets of soda, pepsin, bismuth, etc., after meals, and the folly of this drugging is not apparent until, perhaps years afterward, when it is found that gastric ulcers have almost eaten their way through the stomach walls. Regrets are then unavailing; it is in the early stages when indigestion, dyspepsia, heartburn, flatulence, etc., indicates excessive acidity of the stomach and fermentation of food contents that precaution should be taken. Drugs and medicines are unsuitable and often dangerous—they have little or no influence upon the harmful acid, and that is why doctors are discarding them and advising sufferers from indigestion and stomach trouble to get rid of the dangerous acid and keep the food contents bland and sweet by taking a little pure bisulphate of magnesia instead. Bisulphate of magnesia is an absolutely pure anti-acid which can be readily obtained from any drug store. It is absolutely harmless, is practically tasteless and a teaspoonful taken in a little warm or cold water after meals, will usually be found quite sufficient to instantly neutralize excessive acidity of the stomach and prevent all possibility of the food fermenting.—Adv.

Hard to Shake Off That Backache

The daily grind is made ten times worse when afflicted with lame back, sharp, darting pains, headaches, dizziness and annoying kidney difficulties. If you want to shake it off before there's danger of gravel, dropsy, or Bright's disease use Doan's Backache Kidney Pills. They are praised the world over by thousands who have had relief from those exact troubles. "When your back is lame—remember the name." (Don't simply ask for a kidney remedy—ask distinctly for Doan's Backache Kidney Pills and take no other). Doan's Backache Kidney Pills are sold by all druggists and storekeepers or will be mailed on receipt of price by the Hollister Drug Co., or Benson, Smith & Co., agents for the Hawaiian Islands.—Adv.
